Dear Sir or Madam,

On behalf of the Board of Directors of the Memorial Health System Foundation, I would like to thank you for your participation and the generous gift in kind donation you made to support the Primrose School's Benefit Walk. This event, held on June 23, 2007 at the Cottonwood Park, raised over \$5,400 for the Memorial Hospital for Children. Your generosity will touch the lives of many children and their families during their stay at the hospital.

We are confident that in the months and years ahead, gifts such as yours will inspire support from others in our community to give so selflessly to events like this to support our hospital.

Thank you on behalf of all the children who will be served by your kindness.

Sincerely,

Patricia L. Peterson
President and CEO

Dear Emily,

The Colorado Springs Diversity Forum's inaugural Festival, *Everybody Welcome: A Celebration of Culture and Diversity*, was held on Saturday, August 18, 2007. It proved to be a rousing success.

Thousands of Colorado Springs neighbors enjoyed *thirty-three different cultural performance groups*, and savored delicious food and information from the *seventy-one local organizations* who lined the streets between the three performance venues.

Thank you for your role in making this Festival a success! The event was a wonderful opportunity for Colorado Springs to recognize and celebrate the diversity that makes this a great community!

Sincerely,

To Whom It May Concern:

Channel 11, KKTV, is one Colorado television station that is broadcast into the San Luis Valley. The majority of the television service here is from New Mexico.

Channel 11 is very important to the residents of Rio Grande County since it provides more accurate weather, is a link to state events and most importantly emergency broadcasting. During an emergency in the state, Channel 11 would be the connection to the balance of the state.

We support any funding efforts to keep transmitting KKTV into the San Luis Valley.

Sincerely,

Doug Davie

Dear Nick:

On behalf of the participating public safety agencies that collaboratively hosted the recent Emergency Skills Camp for area kids 10 to 15 years-old, we express our sincere thanks to KKTV for the \$750 donation to the Colorado Springs Fire Department's Learn Not to Burn Trust Fund. Your generous support helped purchase a Family & Friends CPR Kit for each camper. The kits included a mini-mannequin to practice their newly learned CPR skills at home.

This was our first year hosting the camp and the response was so tremendous that we're hoping to make it an annual event. During the camp's two sessions 129 area youth were able to attend at no cost to their families.

Brian Bledsoe was a tremendous asset and an excellent instructor in the Flash Flood Safety session. At the end of each day the kids always had positive comments about his class! As expected, he had many requests for autographs. The KKTV t-shirts that Liz Haltiwanger provided were also a huge hit with the campers. Please thank both Brian and Liz for us!

Your financial support of this program is very much appreciated!

Sincerely,

Cathy Prudhomme

We cant wait to use our 2 night free stay at La Quinta for our vacation this yr, otherwise we would not be able to go, were going to Cheyenne wy for 2 nights free and using these 2 nights in South Dakota.
So the boys can see stuff that was closed in March when we went .

Do you know how much the Luisa Graff Watch was. I want to put it on my jewelry insurance since I wont wear it every day. I could not get on the website to find out.

I went and they made me a 75 dollar flower arrangement today with a vase since they did not have any already made up. I was unable to get a Mothers Day gift since we did not have the money to afford me a gift. This was a wonderful Mothers Day gift the best I ever got.

Thanks so much for picking me and making my day.

Dear Ms. Peterson:

Compassionate individuals play an essential role in the quality of assistance the American Red Cross is able to continuously provide to victims of disaster. Thank you, Betty Sexton, your staff, and KKTU for your support of the American Red Cross relief efforts for the January 2007 Castle West Apartment Fire. The funds and awareness you raised through your coverage of this disaster and the Call For Action program is greatly appreciated by our organization. But it means even more to the more than 550 people since July 1, 2006 who have relied upon their Red Cross to be there to help them recover and rebuild their lives.

In the early hours of Tuesday, January 16th, a devastating and quickly spreading fire tore through the Castle West apartments, killing 2 people and injuring several more. From the moments following the disastrous fire, trained American Red Cross volunteers were on the scene providing assistance for shelter, food, clothing, shoes, winter coats, counseling, health services, and other essentials. Red Cross staff and volunteers continued to assist victims in the weeks after the fire as their shock subsided and they began their recoveries.

Thank you for being there for *your* Red Cross and helping to ensure we can continue to provide relief to disaster victims, whenever and wherever we are needed.

Thank you!

Dear Channel 11 crew, I would like to express my thanks for the downloadable software you offer and which I have on my computer. I use it daily to get current on all the news and weather at any time I wish. It's very convenient to just sit down and open your site and browse all the areas of interest. Great job! Of course, my wife and I also make it a point to be tuned to Channel 11 at ten p.m. to catch up on the latest happenings in news, weather and sports. Thanks for the great job you always do. Your obvious edge of professionalism eclipses all your competition. Larry Leek, Pueblo West viewer.

Dear KKTV:

On behalf of the children receiving care at Memorial Hospital for Children, their families and the pediatric staff, I want to thank you and the contributors for the generous donation of stuffed animals, coloring books, paratroopers, sunglasses and puzzles. Play and Education is an important component in children's lives. A Hospital stay disrupts a child's normal routine and is often scary for the child. A gift provides a great diversion for the children while in the Hospital.

It is acts of kindness such as yours that make a positive difference to children who are hospitalized.

Again, thank you for your support and generosity.

Dear Emily:

October 2007

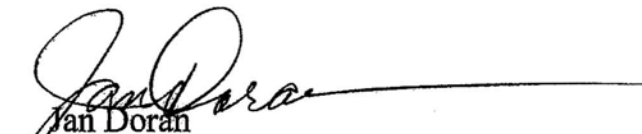

Thank you very much for your generous support of the recent El Paso County Volunteer Celebration event held on September 14, 2007. This event would not have been possible without sponsors and contributors like you, ensuring a successful and special celebration to honor our citizen board and commissions.

With over 300 attendees, our County volunteers were able to receive awards and recognition for their continued and selfless contributions. Our citizens of El Paso County are fortunate to have volunteer leaders in our community. We have enclosed a program from the event which was presented with a volunteer pin to each of our volunteers.

Your participation is greatly appreciated and we look forward to a continued relationship.

Wow! What a difference your generosity has made to the Foundation. All of the O

I am happy to send a gift-in-kind letter
